

English Transition Work: Assignment 1

Title of Assignment 1: Intertextuality and Making Connections

Deadline for this work: 26th June 2021

Assignment 1:

Working with texts you know ... The Poetry Anthology: there are some amazing poems you studied for GCSE in the poetry; you might well have some you really enjoyed or found interesting, others you were less motivated by – and there is no problem with that – you shouldn't like everything you read in either style or content.

In the GCSE Poetry assessment, you were given a named poem and asked to pair it with another poem of choice on a given theme. Using your knowledge of these poems, how might you choose to link them thematically? Write brief paragraphs, ideally using as many of the poems as possible, identifying which you would link and more importantly, why? How do each of them apply? Be as original as you can. For example ...
