

Fine Art Assignment 2 – 16.7.21

Francis Bacon image analysis task

Based on the Francis Bacon image below, write an analysis of his work. This should be around 400 words, making sure you answer each of the questions below in full sentences (do not include the questions in your paragraphs).

The information on this page might help: <https://www.tate.org.uk/art/artists/francis-bacon-682>

Francis Bacon – Self Portrait 1972

- When was the image made? Would this have influenced the style of the image?
- How has Bacon composed/arranged the image?
- Why do you think he chose this composition? And what does it suggest to you?
- How has Bacon used colour?
- Given the title of the piece, what could his use of colour be suggesting?
- Do you like/dislike the work? Why?
- How do you think the artist made this image?
- If you were to recreate a similar image, what materials, techniques and processes would you use?
