

Summer Research Assignment 2

Handing-in-date July 16, 2021

Level 3 Health & Social Care

You are a new lecturer to a College of Education and have been asked to provide a presentation for the students who have chosen to study Health and Social Care, Level 3. The unit you will be teaching is equality, diversity and rights within health and social care.

Find the presentation you created in the first assignment and add the next part below.

The second part of the presentation is to research different legislation regarding equality, diversity and rights in health and social care. Investigate each legislation and identify key points of how it promotes equality, diversity and rights within health and social care:

- The Care Act 2014
- The Health and Social Care Act 2012
- The Equality Act 2010
- The Mental Capacity Act 2005
- The Children Act 2004
- The Data Protection Act 1998
