RE: DISTRICT SCHOOLS SWIMMING GALA

Dear Colleague,

Please find enclosed details of the **District Swimming Gala** to be held on **Wednesday 5th June @ Sevenoaks Leisure Centre** commencing at **6:00pm** and should be finished by 8pm.

All schools participating in the gala will be divided into three groups to compete in each event. These groups will be determined by the size of each school. The number of children participating from each school should be limited to a maximum of **15**. Large schools cannot have the same swimmers for each event- full teams please- small schools- pupils can race in 2 events + the relay. The top three finishers from each event will receive a certificate and at the end of all of the races a winning school from each group will receive a shield and medals.

Please note that a limited number of tickets for the spectator gallery will be sent to each school. I am unable to inform you of the exact number of tickets until I know how many schools will be taking part. As there are only 6 lanes available for each race (per group) only the first 18 schools to reply will be able to take part in the gala.

I would also appreciate your co-operation in trying to ensure the gala runs as smoothly as possible and it is with this in mind that your help is requested in the following areas:

- A teacher must be in charge of their school team for the duration of the event including supervising the children in the changing rooms.
- Assistance by another teacher/adult from your school to help with organisation on the night.

If you would like your school to take part, please could you return the pro-forma by **Wednesday 1st May 2019** Also, could those schools who were awarded a shield at the last gala, please bring it along to the Event. Thank-you.

Yours sincerely,

Mrs Clare Strange

Sevenoaks and District Primary Schools Sports Association Annual Swimming Gala
