

8 February 2021

Dear Parents

I appreciate that some parents may be at home with a light dusting of snow, while others have definitely experienced the "Beast from the East 2". BBC Weather this morning has forecast snow throughout Monday and Tuesday and therefore the school will remain closed for onsite provision on Tuesday 9 February. I think Wednesday 10 February looks doubtful as I do not expect the site or local roads to be safe with very little time to clear snow, but I shall confirm arrangements for Wednesday tomorrow.

As ever, remote learning for all students will continue, but I hope students have taken the opportunity to safely enjoy the snow.

Best wishes

David Collins
