

Photography – Assignment 1 – 26.6.21

Research and contextual studies:

- Create a Pinterest account of photography you're interested in.
- Test your knowledge of aperture and shutter speed
<http://www.canonoutsideofauto.ca/play/>
- Watch some YouTube videos on 'aperture' and 'shutter speed' to gain a basic understanding of how DSLR/SLR cameras work – this will be used a lot throughout the course.
- Make notes explaining what you have learnt about how cameras work.
