Dear Parent/Carer,

Building a Knole Alumni Community to inspire our students

Our students and staff thoroughly enjoyed the Headteachers reception today. We are delighted to inform you that we are working with the education charity, Future First to build a thriving Knole Alumni Community. Amongst our former students is a whole host of talented role models who we want to connect with in order to celebrate their success and inspire our current students.

Alumni can be brought back to offer careers and education advice, mentor students, provide work experience placements and much more.

We will hand out application forms to all Year 11 students today and a presentation outlining how the system works will be shown at the Headteachers reception on Friday 11 June from 9am. Please note students will need to provide their personal email address and not their Knole Academy email.

If your child misplaces their form, they can sign up with the link below:

Wishing your child best wishes for their exciting future pathway.

Yours sincerely,

Mr D Collins
Headteacher
