

19 May 2020

Dear Parents

Further to my letter dated 14 May 2020 regarding year 12 face to face contact, we have considered parental feedback and have made the following changes.

1. We now plan to offer all year 12 students two live Microsoft teams lessons per week for each of their subjects.
2. We intend for the onsite face to face contact day to be used for more pastoral and wellbeing issues such as UCAS applications, personal statements and careers advice. We have allocated each Monday for this, commencing on 8 June 2020.

Should you wish to amend your previous request for face to face contact or decide to take up this opportunity then please email ldykes@knoleacademy.org by Thursday 21st May.

We will send out further information for these pastoral days after half term. Subject teaching staff will also contact your child direct to set up the live Microsoft teams meetings.

The Government will be making a final decision regarding re-opening of schools on Thursday 28 May.

With very best wishes,

Mrs J Elliot
Deputy Headteacher - Curriculum, Raising Standards and IBCP
